

## **Rockfield Streetscape Project**

### **Phase 1**

The project is constructing raised landscaped medians and parkway landscape improvements between El Toro Road and Los Alisos Boulevard, with the entire roadway to be repaved. The project will provide traffic calming benefits and enhance the visual aesthetics of this corridor. The City was awarded \$500,000 in Transportation Enhancement Grant (TE) funds for this project. An award of a construction contract by the City Council occurred on September 6, 2011, with construction beginning on January 9, 2012. The anticipated completion of the project is by June 2012.

Construction of raised medians on Rockfield Boulevard
